Since this letter is from the Region 3 RA, I assume ccing Grant and the program contact would be appropriate, but I have not done this before so I will follow what Grant suggest

Thank you Barb. Could you ask Grant how to involve R2? Usually it was just a cc to the R2 Program contact. Thanks, Pat

I think the letter looks good. Do we need to ask them to tell us the contact person at the Nation? Also are we coordinating with R2 on this? I'm not sure how that is working. R2 was on the call.
Thanks, Barb

The letter looks good to me; good collective effort by those drafting and editing it. In answer to your question, Kevin, as to who to list as a contact, the R3 SOP indicates (page 6) that the letter should list the DCA (Pat G.) and the Action Expert (if warranted) (Kevin). If you look at the template provided for the letter in Appendix C you will note that it lists the DCA as the contact.

This is not a legal call, but for what it's worth, I don't see anything wrong with you remaining the contact person, Kevin.

Thanks, Dan

I tried to find time tomorrow for us to discuss but everyone's calendar is booked

Barb or Pat do you have comments on AJs version. I would like to put the document in concurrence based on the timing.

In addition, we have two more permits we would like to notify the Seneca Nation regarding their interest in consulting. I think Pat said we could email the tribe with information regarding both permits and ask for a response (in two weeks) asking for their interest in consulting. Then if they have interest we develop this letter for those two facilities

Subject: DRAFT Consultation Letter w/ Seneca Nation

All,

I put together a rough draft of the letter to the Seneca Nation in regards to the Roulette UIC Permit. Please take a look at the attached document and provide your comments/edits. I attached it as a OneDrive document for version control/simultaneous editing. I'll try to get a final draft by tomorrow morning so we can send this through concurrence ASAP.

Thank you for all of your help!
